

FUN WAYS TO INSPIRE DONATIONS!

Hot Dog Lunch

You could have a hot dog lunch after church with profits going toward your team goal. Have members of your congregation spread out picnic style in your church parking lot. Practice social distancing as members come up to get their lunch. You could also have it be a drive-through hot dog pickup. With the weather finally cooling down, it's a perfect time for chili!

Sell Footprints

Another easy way to get more donations and bring awareness to the WS/FC CROP Hunger Walk is to sell the footprints that were included in your recruiter's booklet. Just make copies, cut them out and ask those who make a donation to write their name on them and tape them along a hallway or even on the floor to show support for CROP Walk. Here's a short video to get you started! <http://www.youtube.com/watch?v=pgYGFCWWtwE&feature=relmfu>

Host a Virtual Church Dinner

Church dinners are a great time to recruit team members and promote the WS/FC CROP Hunger Walk. Setup a Zoom or Google Meeting for a virtual church dinner. Ask your congregation or Sunday School classes to eat dinner together online. Encourage past Walkers to share what the CROP Hunger Walk means to them as you eat dinner and share the current hunger needs in the community, then encourage attendees to make sign up to walk and/or make a donation online or mail it to you.

Letter to Family & Friends

Write a letter to family and friends telling them why you're walking in the WS/FC CROP Hunger Walk and enclose a self-addressed envelope so they can easily send their contribution to you. Remind them to make checks out to CWS/CROP.

Set up Your Team Online Donation Page

I hope that by now you've set up your team online donation page at www.cropwalkonline.org and reminded your team members to set up their page. It's easy to set up and then just email friends and family so they can make secure, online donations. If you have social media, post your donation page on your accounts.
